FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- 1. Defendant has been charged with a drug offense, the maximum penalty of which is in excess of ten years. There is therefore a rebuttable presumption against defendant as to both dangerousness and flight risk, under 18 U.S.C. § 3142(e).
- 2. Defendant has a lengthy criminal record which includes multiples instances of failure to appear, violations of supervision, and absconding from supervision. The AUSA notes that in the last year, defendant is alleged to have been unlawfully in possession of a firearm on three occasions, and in possession of methamphetamine on two occasions, one of which was while pending trial in state court.
- 3. Taken as a whole, the record does not effectively rebut the presumption that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

It is therefore ORDERED:

- 1. Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- 3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
